Members Present: Montel Watson, Tim Hurley, Kerri-Ann T. Thomas, Michelle Crawford

Meeting was called to order 2:34 by TH

Action Item: TH presented proposed charter amendment to increase enrollment targets at Movement Eastland.

Shared current targets of:

2021-285

2022-380

2023-380

Shared proposed amendment to:

2021—320

2022—410

2023—495

TH shared the rationale that adding additional seats would yield a healthier budget, giving the school more discretionary funds to put into various student supports. TH shared that application numbers are looking strong and school is confident they can hit this number. Also shared that this was a reversion closer to the original charter of the school, before it downsized enrollment target in face of covid.

MW asked what the risks or downside was of this increased target. TH shared primary risk was that schools are expected to hit their enrollment targets and one measure DPI uses is if schools are within 10% of targets.

TH motioned to approve. MC seconded. Amendment was approved unanimously.

Meeting adjourned at 2:45
