Agenda:

Board Update - GM called meeting to order at 1:30 and a Quorum was present.

GM welcomed everyone and provided brief update on the beginning of school before turning it over to DeAnna Bruce to discuss current enrollment across all campuses.

DeAnna noted the schools that were on-track and off-track as it related to enrollment and the plan the schools have implemented to both attract new students and retain students for school year '25-26. Some of the challenges noted for enrollment included the breakdown in systems related to information gathering/processing as well as students who had enrolled not showing up on the first day of classes.

Jenika presented an update on staff recruitment as well as what the school is implementing in SY '25-26 to increase academic success. Jenika noted that there is a real focus on Freedom Elementary for the upcoming school year and noted some of the ways the network is supporting Freedom Elementary and their leadership team in the upcoming year.

Laetitia presented the budgeted to actuals reports for the school's financials. Laetitia also noted the forthcoming changes needed in the budget due to some of the changes in enrollment with more updates coming in October.

GM motioned for meeting to adjourn at 2:05p, LR seconded. Meeting adjourned at 2:05p by unanimous vote.
