Board Update - GM called meeting to order at 1:30 and a Quorum was present.

GM welcomed everyone and provided an update on the current quarter and things to look for in the coming month, including an updated budget. GM passed to DeAnna Bruce to discuss current enrollment across all campuses.

DeAnna noted the schools that were on-track and off-track as it related to enrollment and updated how the plan has been coming along to attract and retain current students. The schools are still off-track as it relates to enrollment, but have experienced big gains over the last month. DeAnna also discussed some of the initiatives their team is implementing moving forward to start the next enrollment cycle for SY '26-27.

Laetitia presented the budgeted to actuals reports for the school's financials. Laetitia also told the board that new financials with the revised enrollment targets would be available at the November meeting. Currently the schools were ahead of where they were projected based on rental abatements as well as early disbursements from the state.

GM motioned for meeting to adjourn at 2:03p, LR seconded. Meeting adjourned at 2:03p by unanimous vote.
