Sample Contract Instructions

For meals catered to a School Food Authority (SFA) that participates in the Federally-assisted United States Department of Agriculture's (USDA) School Nutrition Program(s):

1. The Request for Proposal (RFP)/Catering Contract **MUST** be submitted to the Office of School Nutrition Procurement Specialist before it is released to potential Caterers and once again before the final Contract is signed and executed by both parties. Upon agreement by both parties, the fully executed contract that results from this Request for Proposals (RFP)/Contract may be extended for a period of up to five (5) years, not to exceed four (4) contract amendments. All contract amendments must be submitted to the Office of School Nutrition Procurement Specialist prior to signature by both parties.
2. It is imperative that SFA officials inform the Caterer that the Caterer is responsible for any reclaims that may result from a Federal and/or State review resulting from inadequate portion sizes or missing meal components. Under these circumstances, the SFA shall bill the Caterer for disallowed meals because of the Caterer's failure to comply with the terms and conditions established in the Contract.
3. Please read this document carefully. The areas shown in bold font and bracketed are areas to which you must pay careful attention because the SFA must add information that is specific to its school.
4. The SFA must also carefully review the sample menu included. The menu will be served for the first four weeks of school OR until changes are approved in writing by the SFA's Nutrition committee (which may include the SFA's School Nutrition Director and representatives from school staff, parents, and students). The Caterer's proposed contract price should be based on the SFA's planned menu.
5. The National School Lunch Program (NSLP), School Breakfast Program (SBP), and After School Snack Program (ASSP) are Federally-assisted programs. The SFA must competitively procure meals by submitting the reviewed RFP for catering services to at least three (3) companies duly licensed as catering businesses in the State of North Carolina (or a surrounding State) and authorized to provide catered meals.
6. **This is a template only and you are advised to seek legal counsel before finalizing the document.**

This prohibition applies to persons required to register under Article 27A who have committed any offense in Article 7A of Chapter 14 or any offense where the victim of the offense was under the age of 16 years at the time of the offense. STANDARD TERMS AND CONDITIONS

A. Scope and Purpose

It is the intent of the SFA to contract with an interested party or parties for the purchase of School Nutrition Catered Meals for the students of : **Movement Charter Schools - Freedom, Eastland, Southwest, Northwest** Public Schools that fall within Federal regulations and State statutes that will be provided at an economical price for the SFA.

The section titles contained in this General Terms and Conditions document are for convenience and reference only, and in no way, define, describe, extend, or limit the scope or intent of the provisions of any section of this document.

Unless otherwise stated, any listing of factors or criteria in this document does not constitute an order of preference or importance.

The term "Contract," as used in this document, means the comprehensive collection of:

- (1) this General Terms and Conditions document, including any attachments and or amendments thereto,
- (2) the Item Specifications included in the RFP and any subsequent addenda thereto, the Caterer's signed Proposal Certification, which must be completed, signed by an authorized representative of the Caterer and returned with the Caterer's response, along with this ENTIRE Terms and Conditions document and all other forms and information collection pages included with this RFP,
- (3) the Caterer's response to the RFP,
- (4) the Caterer's Notice of Award document, and
- (5) any additional terms, conditions, or instructions issued by the SFA.

Collectively, these documents represent the entire agreement between the parties.

B. Contract Time Period

The time period for purchases covered by a Contract resulting from an award under this RFP is stated in the Proposal Certification. The SFA reserves the right to award the Contract to a Caterer for a longer initial term period than the time period stated in the Proposal Certification if it is determined to be in the best interest of the SFA. Unless otherwise indicated in these General Terms and Conditions, all pricing will be firm throughout the entire contract period.

Upon mutual written agreement of both parties, this Contract may be extended beyond the expiration of the contract time period in accordance with the General terms and Conditions document entitled "Extension Clause."

The transfer, assignment, or subcontracting of contracts is prohibited, and the Caterer agrees not to sell, assign, transfer, convey, or subcontract any portion of this contract resulting from this RFP without the prior written consent of the SFA.

C. Addendum

In the event any changes to this RFP occur subsequent to the mailing or other delivery of the original RFP, the changes or corrections to this Proposal request will be made by addendum, and any updated information contained in any addendum will prevail over the information contained in the original RFP or any previous addendum. Each addendum will be mailed to all entities that are known to have received a copy of this RFP. The SFA is the sole authority for the issuance of any addendum

related to this RFP. Any communications from any person or entity other than the SFA regarding any matters related to this proposal are invalid and will have no influence on this RFP.

Each addendum must be acknowledged on the acknowledgement form provided with the addendum. Any required acknowledgement form must be submitted along with the submission of any proposal response.

D. Specifications

Catalog numbers, brand names, or manufacturer's product or reference numbers used in the item specifications are intended to be descriptive, not restrictive. These references, as well as "approved brands" listed, are intended to identify and indicate the type of product being sought and establish the level of quality desired. If any conflict exists in the item specifications between the product descriptions and any brand names or model or reference numbers used, the product descriptions will override the brand names or product number references.

In most cases, proposals on brands of equivalent nature and quality will be considered, provided they are regularly produced products from a reputable manufacturer. However, in some cases, the SFA may find it advantageous to standardize equipment and/or supplies by manufacturer in order to achieve efficiencies in procurement, repair, and operation, to match existing stock, or to satisfy other requirements. In these cases, preferences will be given to the specific products identified as "approved brands" especially if all other evaluation factors are deemed to be equal. For this reason, where specific brands or products are identified, it is preferable for the Caterer to propose the exact item specified, in addition to an alternate brand or model where desired.

All proposals must identify the manufacturer, brand, portion size, etc. of the product being offered. **"Pre-Approved Equal"** Brands may be allowed where indicated. To offer "Pre-Approved Equal" items rather than any "approved brand" specified, the Caterer must supply a complete description and sufficient data for the SFA to properly analyze the product being compared. Samples may be requested for items other than "approved brands". These "Pre-Approved Equal" brands must be approved by the SFA **before** the proposal opening. The SFA reserves the right to reject any brand submitted if the SFA does not have sufficient information or time to conduct taste-testing in order to deem the product as a "Pre-approved Equal."

If the Caterer fails to identify the manufacturer, brand, portion size, etc. for any item included in the proposal, the SFA will assume the Caterer is proposing **the exact brand/product and portion size identified in the specification**, and if awarded, the Caterer will be required to furnish the **exact brand names, portion sizes, etc. as specified. Substitutions will not be allowed.**

The apparent silence of the specifications as to any detail or the apparent omission from any specification of a detailed description concerning any point shall be regarded as meaning that only the best communication practices shall prevail. All interpretations of the specifications shall be made on the basis of this statement.

*If you discover or suspect error in the item specifications in this RFP, please note it as part of your proposal response.

General Specification Provisions:

1. Quantities

Quantities reflected in this RFP are estimates based on the combined projected needs for the SFA during the contract period. Quantities are the best estimate of anticipated needs available at

the time of publication of this RFP, but the accuracy of this estimate of these quantities may be affected by numerous factors including but not limited to, budgetary adjustments, availability of Federal funds or other subsidies, changing market forces, or unintentional errors or omissions. Actual needs may be greater or less than the estimated quantities provided.

2. Packaging

Unless otherwise provided for in this RFP, all products supplied under any Contract resulting from this RFP must be packaged in containers that are new, appropriately designed for the products involved, and sturdy enough to protect the products involved in loading, transit, unloading, and storage. Any products supplied under Contract resulting from this RFP for which palletizing is appropriate must be delivered on standard 48" 4-way pallets in good, serviceable condition.

3. Pricing

All "Line Item" proposals must be for a specific price for the unit of measure specified for that item. The Caterer is responsible for clearly noting any differences in proposed packaging and/or units of measure in the proposal response, and the Caterer shall understand that if the item in question is awarded to the Caterer, the quantity specified for that item will be adjusted to achieve an approximately equivalent amount of the product.

In cases where another price is requested for comparison purposes (e.g., "portion price" or "price per ounce"), such price is for comparison purposes only. Purchases will be made in the increments of the unit of measure specified. In the case of any discrepancy or error in comparison price calculations, the price for the unit of measure specified will prevail. Excessive errors in comparison price calculations will be sufficient grounds for rejection of the entire proposal.

"Discount from Catalog" RFPs require a single discount percentage to be applied to all items in the Caterer's published catalog, which must be supplied with the proposal response.

"Cost Plus" proposals will not be accepted unless otherwise requested in this RFP.

Proposed prices must be firm for acceptance for at least 90 days from the proposal opening date, unless otherwise specified in this RFP or in the Caterer's response.

If during the term of the Contract, a successful Caterer's net prices to any or all of its other customers in similar market circumstances for any of the same items awarded under this RFP are reduced below the contracted price, it is understood and agreed that the benefits of such price reduction shall be extended to the SFA.

4. Delivery and Transportation

Unless otherwise noted in these General Terms and Conditions or the Purchase Order, or unless prior approval has been obtained from the SFA, all deliveries shall be made between the hours of 7:15AM and 1:00PM. Monday through Friday, except holidays.

Unless otherwise noted in this RFP or in the Purchase Order, the Caterer must deliver products awarded under this RFP within ten (10) working days after receipt of a Purchase Order. The Caterer must immediately notify the SFA, by telephone or other means agreed upon by the parties, if any delays occur. The SFA will have the option to cancel the order if unable to accept the delay. At the discretion of the SFA, items received after the due date, for which the SFA has

not been notified regarding the delay, may be returned at the Caterer's expense with no penalty to the SFA.

Repeated failure to meet delivery dates will constitute a breach of Contract by the Caterer, and may result in the initiation of actions covered in this General Terms and Conditions document entitled "Remedies for Non-Performance of Contract", and "Contract Termination" and the associated financial impacts attached thereto, as well as jeopardize any future business from the SFA.

All freight, delivery, and handling charges are the responsibility of the Caterer, and all proposal prices must be quoted freight prepaid, F.O.B. destination, and shall include all freight, delivery, and handling charges, including unloading and inside deliveries where required.

Cartons must be marked with appropriate product identifying information as indicated on the Purchase Order. Each shipment must include a packing list and waybill or delivery ticket.

If the Caterer is delivering products out of more than one warehouse or distribution center, all warehouses or distribution centers involved in the distribution plan MUST carry or have timely access to all awarded items and MUST be able to respond to orders in a timely manner. Unless otherwise specified in this RFP, product substitutions are not allowed, and the involvement of multiple distribution centers will not be construed as to alter the restrictions against product substitutions. In the event the Caterer uses multiple distribution centers, the SFA will have ONE CONTACT PERSON for overall Contract management relative to any Contract resulting from any award under this RFP, and the SFA WILL NOT be required to deal with multiple Contacts for overall contract management.

When the needs of the SFA require immediate response, the right to pick up products awarded under this RFP on an "over the counter" basis must be available for the majority of the items awarded to a Caterer. Under such circumstances, the SFA's personnel may pick up products at the Caterer's warehouse location at the agreed-upon price with no minimum purchase required.

Except for items that have hidden defects or that do not meet specification, title to all products shall pass to the SFA upon receipt and acceptance at the time of delivery.

5. Quality

Unless otherwise indicated in the RFP, all items proposed must be new and in highest quality condition and must conform to the highest standards of manufacturing practice, including containers suitable for shipment and storage. Unless otherwise requested, the SFA will not accept "factory seconds" or otherwise inferior goods, and reserves the right to return any such item(s) within (30) days of receipt at Caterer's expense.

All electrical items must meet all applicable OSHA standards and regulations, and must bear the appropriate listing from US, FMRC, NEMA, or U L Laboratories.

Material Safety Data Sheets (MSDS) on chemicals or any other products customarily requiring MSDS must be provided to the SFA with the first shipment to the SFA at the beginning of the contract period. Promptly and at no additional costs, the Caterer will provide additional Materials Safety Data Sheets to the SFA upon request. Providing a web site access location to MSDS information is an acceptable alternative.

6. Product Inspection, Testing, and Defective Items

All products supplied under this contract should arrive in the best possible condition and will be subject to inspection, testing, and approval by the SFA. Tests may be performed on any samples submitted as part of the proposal or evaluation process, or on samples taken from any regular shipment. In the event any product tested fails to meet or exceed all requirements of the proposal item specifications or the General Terms and Conditions of the RFP, the cost of the samples used and the cost of the testing shall be borne by the supplier, and upon notification to the Caterer, the defective product(s) will be picked up and replaced by the Caterer. Repeated incidents of delivery of products that fail to pass product inspection and/or testing by a Caterer will warrant cancellation of the Contract in addition to the remedies outlined above. Furthermore, future business from the SFA could be jeopardized.

Products damaged in shipment will be considered as defective products and will be subject to the same remedies outlined above.

The failure of any consumable products (food items) to meet specifications or acceptable chemical or bacterial levels may result in cancellation of the contract in addition to the remedies outlined above. Furthermore, future business from the SFA could be jeopardized. All products in the SFA's warehouse at the time of any such cancellation must be picked up and credit issued to the SFA. Latent defects discovered after delivery and acceptance of any products may result in revocation of the acceptance.

The SFA shall have access to any supplier's place of business during normal business hours for the purpose of inspecting merchandise.

7. Samples

If samples are needed for proposal evaluation, they will be requested as part of the RFP or in a separate communication. Unless otherwise indicated in the request for the samples, the samples must be received by the requestor within 72 hours from the time of the request.

Samples must be furnished free of expense to the SFA. Samples must be labeled with the SFA Proposal Name, Item Number, Product Identification number(s), and the name of the Caterer. Do not include samples with the proposal response unless otherwise instructed in the RFP.

All samples will be retained by the SFA for a sufficient length of time for proper evaluation. If not destroyed or consumed during examination of testing, samples will be returned to the Caterer at the Caterer's expense, but only upon written request submitted with the samples at the time the samples were submitted. However, notwithstanding the above samples from the successful Caterer may be retained permanently by the SFA for the purpose of determining the quality of the delivered items are comparable to the samples. The SFA shall incur no liability for any samples that are damaged, destroyed or consumed during examination or testing.

Failure by any Caterer to submit samples when requested will result in the items in question not being considered for award to that Caterer.

8. Warranties

By submission of a proposal, the Caterer warrants that he/she is an authorized dealer, distributor, or manufacturer for the product(s) being offered, that all items proposed conform to the specifications for which the items are being offered, and that all items supplied under any contract related to this RFP will be free from all defects in material, and title.

A minimum of 90-days product guarantee or the manufacturer's standard commercial warranty, whichever is greater, shall apply to all products purchased under this RFP. This warranty shall provide for replacement of defective merchandise from the SFA location and delivery of the replacement(s) to the same location. The warranty shall be effective from the date of acceptance of the merchandise.

E. Certification

Regulations define "domestic products" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States. "Substantially" means over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

2. Contracts Exceeding Simplified Acquisition Threshold

In the performance of this contract, the Caterer shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired competitively within a time-frame providing for compliance with the contract performance schedule; meeting contract performance requirements; or at a reasonable price.

F. Proposal Evaluation and Award

All proposals received in response to this RFP which are submitted in accordance with the instructions and restrictions contained in this General Terms and Conditions document entitled

“Proposal Preparation and Submission Procedures” will initially be considered for award; however, initial consideration of any proposal will not constitute an assessment of its meeting the necessary qualifications, and any proposal may be disqualified at any time during the process of evaluating proposals for failure to meet any other terms or conditions contained anywhere else in the proposal request.

The SFA reserves the right to waive any or all proposal irregularities, formalities, or other technicalities, to be the sole and independent judge of quality and suitability of any products offered, and may accept or reject any proposals in their entirety, or may reject any part of any proposal without affecting the remainder of that proposal, and may award the individual items included in the proposal in any combination or any way to best serve the interests of its members as it perceives those interests to be in its sole discretion.

It is not the policy of the SFA to purchase on the basis of low proposal price alone. All proposal items are subject to evaluation and approval by the SFA. In evaluating the proposals received and determining the best value for the SFA, the SFA may consider any combination of the following criteria: (1) the purchase price; (2) the reputation of the Caterer and of the Caterer’s goods and/or services; (3) the extent to which the goods and/or services meet the needs of the SFA; (4) the Caterer’s location, service, and delivery capabilities; (5) the Caterer’s past performance with the SFA; (6) student preferences; (7) the warranties offered and the Caterer’s warranty service history; (8) the probability of continuous availability of the goods and/or services offered; (9) the impact on the ability of the SFA to comply with any applicable laws or rules; (10) the total long-term cost to the SFA to acquire the Caterer’s goods and/or services; (11) packaging of the products and in some cases preference is given to a Caterer who provides all the components relative to the complete package, and (12) any other relevant factor that a public or private entity could consider in selecting a Caterer.

It is understood that the SFA may use all means at their collective disposal to evaluate the proposals received on these criteria, and the final decision as to the best overall offer, both as to price and to suitability of the products and/of services offered to fit the needs of the SFA, will be made by the School Nutrition Director, the SFA Purchasing Officer, the SFA Finance Officer and/or SFA designee.

Unless otherwise indicated in this RFP, “all or nothing” proposals are not acceptable and will be rejected. The Caterer must be willing to accept a partial award for any combination of the items and/or services proposed and must be willing to share the business with any other successful Caterers.

The successful Caterer(s) will be notified by “Notice(s) of Award” issued by the SFA.

The SFA reserves the right to require a performance bond as it is deemed necessary.

G. Substitutions

The SFA will not accept any substitutes after items(s) have been awarded as specified, unless such substitutions are deemed to be in the best interest of the SFA, and unless prior agreements have been reached and reduced to writing regarding such substitutions. Substituting without the prior approval of the SFA will constitute a breach of contract by the Caterer which may result in the initiation of actions covered in this General terms and Conditions document entitled “Remedies for Non-Performance of Contract, and Contract Termination” and the associated financial impacts attached thereto, and may jeopardize any future business from the SFA.

H. Deviations from Item Specification or General Terms and Conditions

Any and all limitations, expectations, qualifications, special conditions, or deviations from these General Terms and Conditions or any of the item specifications, including the offering of any alternate to the “approved brand and/or model” (where identified) must be clearly noted in detail by the Caterer at the time of submission of the proposal. The absence of such limitations, exceptions, qualifications, special conditions, or deviations being submitted in writing with the Caterer’s response will hold the Caterer accountable to the SFA to perform in strict accordance with all these General Terms and Conditions and all the item specifications as written, including any such limitations, exceptions, qualifications, special conditions, or deviations with the proposal response may place the Caterer at a competitive disadvantage or otherwise prevent the SFA from considering the affected items(s).

Any deviation from any of the item specifications, including the delivery of any product other than the specific brand of the product awarded, will be grounds for rejection of the product(s) when delivered, and will expose the Caterer to the remedies identified in this General Terms and Conditions document entitled “Remedies for Non-Performance of Contract, and Contract Termination” and may jeopardize future business from the SFA.

I. Contract and Purchase Order Requirements

A response to this RFP is an offer to contract with the SFA based upon the Item Specifications and the General Terms and Conditions contained in the RFP. Offers do not become Contracts unless and until they are both accepted by the SFA through an Award Notice to the Caterer and put into effect by the issuance of a Purchase Order(s) signed by an authorized representative of the SFA.

This contract shall collectively include (1) the General Terms and Conditions and the Item Specifications included in the RFP and any subsequent addenda thereto, (2) the Caterer’s signed Proposal Certification and any subsequent addenda thereto, (3) the Caterer’s entire response to the RFP, (4) the Caterer’s Notice of Award document, (5) and any additional terms, conditions, or instructions contained in each individual Purchase Order. All binding agreements should be submitted as part of the proposal packet. The contract shall be interpreted by and governed under the laws of the State of North Carolina.

J. Invoices, Packing Lists, and Payment Conditions

Packing Lists or other suitable shipping documents must accompany each shipment and must identify (a) the name and address of the Caterer, (b) the name and address or delivery location of the receiving entity, (c) the Purchase Order Number, and (d) detailed descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, number of containers, etc.

All Invoices must reflect (a) the name and address of the Caterer, (b) the name and address or delivery location of the receiving entity, (c) the appropriate Purchase Order Number, and (d) detailed descriptive information identifying the item(s) delivered, including quantity, item number, product code, item description, etc., and must include a properly signed copy of the delivery receipt. Invoices must be mailed directly to the SFA.

The SFA will not be held responsible for any products delivered or invoiced without a valid current Purchase Order Number.

Notwithstanding the above, the payments stated on each individual Purchase Order will be the controlling factor in the determination of payment terms. Each Invoice should include the Caterer’s normal payment terms in the event that any Purchase Order fails to address the subject.

In any case, payment will be made only after satisfactory delivery and acceptance of merchandise in good order, including the necessary documentation indicated above, and only after receipt of a correct Invoice from the Caterer, including the necessary information indicated above.

At the option of the SFA, invoices with incorrect prices or other errors or inconsistencies will not be paid until corrected, whether by credit memo(s) or issuance of a corrected invoice. At the option of the SFA, invoices may be corrected upon receipt and payment may be made based upon their corrections.

K. Record Retention Requirements

By signing this proposal, the Caterer understands that the SFA, the U.S. Department of Agriculture, the NC Department of Public Instruction, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the Caterer which are directly pertinent to the specific contract, for the purpose of audits, examinations, excerpts, and transcriptions.

Additionally, the Caterer must provide all documents as necessary for the independent auditor to conduct the SFA's single audit. The SFA will contract to have the single audit conducted as a regular, direct expense to the SFA; School Nutrition funds may not be used for this purpose.

The Caterer must retain pertinent records identified by source, type, and category of beverages for a minimum of three years after the SFA makes final payments. In the event of any unresolved audit findings, the records shall be retained beyond the three (3) year period for as long as required for resolution of the issues raised by the audit.

L. Remedies for Non-Performance of Contract, and Termination of Contract

If the Caterer cannot comply with the terms and conditions in fulfilling its Contract as anticipated, the Caterer must supply the same products or services contracted from other sources at the contract price. The Caterer's delay in the above will constitute the Caterer's material breach of contract, whereupon the SFA may terminate the Caterer's contract for cause as provided by the remainder of this section.

Unless this Contract is extended by mutual agreement of the parties beyond the expiration of the contract time period as stated on the Proposal Certification, this Contract shall terminate upon the expiration of the contract term as stated on the Proposal Certification.

If any delay or failure of performance is caused by a Force Majeure event as described in the General Terms and Conditions document entitled "Force Majeure," the SFA may, in its sole discretion, terminate this contract in whole or part, provided such termination follows the remaining requirements of this section.

Except as otherwise provided within the General Terms and Conditions of this document, this Contract may be terminated in whole or in part by either party in the event of substantial failure by the other party to fulfill its obligations under this contract through no fault of the terminating party; provided that no such termination may be implemented unless and until the other party is given 1) at least thirty (30) days written notice (delivered by certified mail, return receipt requested) of intent to terminate, and 2) an opportunity for consultation with the terminating party, followed by a reasonable opportunity, of not more than ten (10) working days, to rectify the defects in products or performance, prior to termination.

Valid causes for termination of this Contract will include, but are not limited to:

- (1) the Caterer's failure to adhere to any of the provisions of the General Terms and Conditions of this RFP,
- (2) the Caterer delivering any product(s) that fail to meet the Item Specifications included in this RFP relating to the awarded product(s),
- (3) the Caterer delivering any substitution(s) of product(s) different than those originally proposed and awarded without the prior written approval of the SFA,
- (4) the Caterer's failure to meet the required delivery schedules as identified in
- (5) the contract documents, or
- (6) the Caterer's violation of any other provision contained within these General Terms and Conditions or any attachment thereto which provides for contract termination as a remedy.

In the event of the selected caterer's nonperformance under this Awarded Contract and/or the violation or breach of the Awarded Contract terms, the SFA shall have the right to pursue all administrative, contractual, and legal remedies against the selected caterer and shall have the right to seek all sanctions and penalties as may be appropriate. [2 CFR 200 Appendix II(A)]

Notwithstanding anything contained in this section, in the event of the Caterer's breach of any provision in this contract, the SFA reserves the right to enforce the performance of this contract in any manner prescribed by law or deemed to be in the best interest of its members, including, but not limited to, the purchase of other products of like type and quality from other sources in the open market. In the event the SFA elects to purchase other products from other sources, the SFA will invoice the Caterer for any increased costs to the SFA, and the Caterer agrees, by submission of a proposal response, to promptly pay any such charges invoiced.

In the event the SFA terminates this Contract, in whole or in part, for any reason provided for within the contract, the SFA reserves the right to award the canceled Contract, or any portion thereof, to the next lowest or most responsible Caterer as it deems such award to be in the best interest of the SFA.

Any Contract termination resulting from any cause other than a Force Majeure event will be deemed valid reason for not considering any future proposal from the defaulting Caterer.

In the performance of this contract, time is of the essence and these General Terms and Conditions are of the essence.

M. Force Majeure Consideration

The term Force Majeure shall include, but is not limited to, governmental restraints or decrees, provided they affect all companies in the Caterer's industry equally and are not actions taken solely against the Caterer; acts of God (except natural phenomena, such as rain, wind or flood, which are normally expected in the locale in which performance is to take place); work stoppages due to labor disputes or strikes; fires; explosions; epidemics; riots; war; rebellion; or sabotage.

The parties to this Contract will be required to use due caution and preventative measures to protect against the effects of Force Majeure, and the burden of proving that Force Majeure has occurred shall rest on the party seeking relief under this section. The party seeking relief due to Force Majeure will be required to promptly notify the other party in writing, citing the details of the Force Majeure event, and will be required to use due diligence to overcome obstacles to performance created by the Force Majeure event, and shall resume performance immediately after the obstacles have been removed, provided the Contract has not been terminated in the interim.

Delay or failure of performance, by either party to this contract, caused solely by the Force Majeure event shall be executed for the period of delay caused solely by the Force Majeure event, provided the affected party has promptly notified the other party in writing. Neither party shall have any claim for damages against the other resulting from delays caused solely by Force Majeure.

The SFA will not be responsible for any costs incurred by the Caterer because of the Force Majeure event unless the SFA has requested, in writing, that the Caterer incur such costs in connection with any delay or work stoppage caused by the Force Majeure event, and the SFA has agreed in writing to incur such additional costs.

Notwithstanding any other provision of this section, in the event the Caterer's performance of its obligations under this contract is delayed or stopped by a Force Majeure event, the SFA shall have the option to terminate this contract in accordance with the General Terms and Conditions document entitled "Remedies for Non-Performance of Contract, and Contract Termination." Furthermore, this section shall not be interpreted as to limit or otherwise modify any of the SFA's rights as provided elsewhere in this contract.

N. Venue

This agreement will be construed and governed according to the laws of the State of North Carolina. Both parties agree that venue for any litigation arising from this contract shall lie in Mecklenburg County, North Carolina.

O. Waiver

No claims or rights arising out of a breach of this Contract can be discharged in whole or part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

P. Right to Assurance

Whenever one party to this contract in good faith has reason to question the other party's intent to perform the questioning party may demand that the other party give a written assurance of intent to perform. In the event that a demand is made and no assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the contract.

Q. Extension Clause

This contract may be extended annually for up to four (4) additional years from the expiration of the Contract period, unless sooner terminated in accordance with the provisions of this Contract. If the Caterer and the SFA mutually agree, any escalation or de-escalation in cost will be based on the March Annual National Consumer Price Index, *Cost of Food Away from Home* adjustment.

R. Regulatory Compliance

- (1) The Caterer and SFA mutually agree to comply with all applicable standards, orders or requirements issued pursuant to Section 306 of the Clean Air Act (42 USC 1857 [h]), Section 508 of the Clean Water Act (33 USC 1368), Executive Order 117389 and Environmental Protection Agency regulations (40 CFR Part 15). Any violations thereof shall be reported to the Administrator for Enforcement or other appropriate authority. Each party shall not be responsible to the other for acts beyond its control or acts caused by the negligence of the other party.

- (2) The Caterer agrees to comply with all mandatory standards and policies relating to energy efficiency as cited in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (P.L. 94 – 163).
- (3) The Caterer shall comply with Executive Order 11246, entitled Equal Employment Opportunity, as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations, 41 CFR Part 60.
- (4) The Caterer shall comply with the following civil rights laws as amended: Title VI of the Civil Rights Act of 1964; Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 CFR parts 15, 15a, and 15b; the Americans with Disabilities Act; and FNS Instruction 113-6, "Civil Rights Compliance and Enforcement in School Nutrition Programs".
- (5) The Caterer shall comply with the "Buy American" provision for Contracts that involve the purchase of food and/or beverages as per 7 CFR Part 250.
- (6) The Caterer shall comply with the provisions of the Consumer Product Safety Act.
- (7) The Caterer shall complete and sign the *Certification of Independent Price Determination* form; *Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion* form; and *Disclosure Form to Report Lobbying* and shall include these documents as part of the Agreement. (See Attachments)
- (8) The Caterer shall abide by all applicable State and Federal laws and policies of the State Board of Education when providing services under this Contract.

S. Assurance of Non-Collusion

By signing this proposal, the Caterer assures that, to the best of his/her knowledge:

- (1) Neither the Caterer nor any business entity represented by the Caterer has received compensation for participation in the preparation of the item's specifications or the General Terms and Conditions related to this RFP,
- (2) This proposal has been arrived at independently and is submitted without collusion with any other Caterer, with any competitor or potential competitor, or with any other person or entity to obtain any information or gain any special treatment or favoritism that would in any way limit competition or give any Caterer an unfair advantage over any other Caterer with respect to this RFP.
- (3) The Caterer has not accepted, offered, conferred or agreed to confer, and will not in the future accept, offer confer, or agree to confer any benefit or anything of value to any person or entity related to the SFA or any of its members in connection with any information or submission related to this proposal, any recommendations, decision, vote or award related to this proposal, or the exercise of any influence or discretion concerning the sale, delivery, or performance of any product or served related to this proposal,
- (4) Neither the Caterer, nor any business entity represented by the bidder, nor anyone acting for such business entity, has violated the Federal Antitrust Laws or the antitrust laws of the state of North Carolina with regard to this proposal, and this proposal has not been knowingly disclosed, and will not be knowingly disclosed to another Caterer, competitor, or potential competitor prior to the opening of proposals.
- (5) No attempt has been or will be made to induce any other person or entity to submit or to not submit a proposal.

T. Assurances regarding Legal and Ethical Matters

- (6) The Caterer has a high degree of integrity and business ethics, and a satisfactory record of performances, and has not been notified by any local, State or Federal agency with competent jurisdiction that its standing in any matters whatsoever would preclude it from participating in this proposal, it would in no other way whatsoever be disqualified to propose or receive any award or contract related to this proposal, and the Caterer will comply with any reasonable request from the SFA to supply any information sufficient to substantiate the proposing entity's ability to meet these minimum standards,
- (7) Concerning paragraph (6) above, the Caterer has identified and disclosed in this written proposal any and all known suspected matters that would disqualify it from participating in this proposal or receiving any award or contract related to this proposal, recognizing that the offer's failure to identify and disclose any such matters constitutes its affirmation that no such matters exist, and that failure to disclose in this proposal any such matters which do exist is a material breach of contract which would void the submitted proposal or any resulting contracts, and subject the Caterer to removal from all procurement lists and possible criminal prosecution

- (12) Neither the SFA nor any of its members shall be liable to the Caterer for any damages (including, but not limited to, loss of profits or loss of business, or any special, consequential, exemplary, or incidental damages) in the event that the SFA declares the Caterer in default,

- (14) Caterer must comply with the State of North Carolina Conflict of Interest requirement as defined in General Statutes, Chapter 14-234.

Instructions for Certification

1. By signing and submitting this form, the prospective lower tier participant is providing the certification set out in this document in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
